

City Greens Produce Opens at Midtown

This summer at Midtown Catholic Charities fresh produce and fruit will be available every week at City Greens Produce. City Greens is Midtown's effort to help bring affordable, healthy food into the community. This food comes from local Missouri farmers and is "naturally grown". Produce will be available at cost to City Greens members. Memberships are based on income.

Our Belief

At City Greens we believe nutritious food is an essential component of a happy and healthy life. Food is our body's fuel. Our community should have access to healthy, fresh choices to fuel our bodies and minds. People unite around food--sharing meals and memories with family, friends and neighbors. At City Greens our community is uniting to make sure each of us has the opportunity to enjoy fresh fruits and vegetables from the earth to our tables.

Our Mission

The Mission of City Greens produce is to provide access to fresh, quality and affordable produce to our neighbors, to promote healthy living in our community, and to provide a space for our neighbors to interact. We recognize the importance of knowing where our food comes from and supporting local farmers as part of our extended community

Hours and Location

Grand Opening for City Greens is Tuesday, June 16th at noon. Produce will be sold on Tuesdays from noon to 6pm and on Wednesdays 10am to 6pm. City Greens is located in the basement of the old St. Cronan School building at 1202 S. Boyle Avenue. To find out more about membership, our local farmers or how you can help contact Ashley at 314-534-1180 or agetz@ccstl.org.
